Casual school attire is to be worn during the Youth Rallies. If a team is playing in the first game following the rally, uniforms and warm-ups may be worn to the rally. Dress is casual during the day.

Girls Athletic Attire

Standards of dress vary from school to school, and we want to be as accommodating as we can. At the NACA tournaments, female basketball and volleyball uniforms need to be loose-fitting and of a long, modest length. No spandex, please. Please call ahead if you have questions.

Cheerleaders

Cheerleaders are to obey all instructions given by the officials and may not use music for any cheer routines. Uniforms must be loose-fitting and modest. Please call ahead if you have questions. Off-campus cheerleaders are subject to student rate entrance fees to enter gymnasium.

NACA Volunteers

Guests, not team members, may attend the tournament free of charge by serving as volunteers if there is an available position. Volunteers must be age 19 or older and complete the Volunteer Application (www.nacasports.com/volunteer) and Background Check Form. Volunteers contribute six hours each day at the various gyms selling tickets, in the Dining Hall, Canteen, or other areas of service which leaves them time to enjoy most of the games. Volunteers must

contact the NACA office at least two weeks before arrival to the tournament. Volunteers register with their team at the office where they are given their assignments.

Accommodations and Housing

Teams competing may stay at Fort Bluff Camp, the headquarters for the NACA. The facilities include the Brown Deer Lodge, dorms and bunkhouses equipped with bunk beds. Lodging assignments are given during Registration. Housing is based upon a needs-met basis. We try to honor housing requests, if possible. During full weeks, those who pre-pay last are subject to alternate housing at other locations. *If a school or coach secures their own housing at another location, they are still subject to tournament fees.*

If a coach chooses not to stay with his or her team, an adult chaperone must stay with the team in the Lodge, dorm or bunkhouse.

Guest Housing

The Lake Haven Cabins are fully furnished with central heat and air, fully equipped kitchen, one bedroom and a loft, one bath and a mountain stone fireplace. Early registration is strongly recommended. No athletes or cheerleaders may stay or visit the Lake Haven Cabins.
